

## Multi-User Subscription System

### **VOD CENTRAL** (cmiPlayer control)

**What is VOD Central?**

Unlimited 24 hour access to every and all cmiVFX training videos in our custom Training Video On Demand player system

**How long is a subscription?**

A subscription lasts for a 1 year period and can be renewed annually.

**What is included?**

The subscriber will get access to all videos currently in the cmiLibrary and any additional videos created by cmiVFX and its partners within the limits of the subscription.

**Why use TVOD and not DVD?**

- DVD's are harmful to produce for the environment.
- DVD's have limited space.
- DVD's take time to ship.
- DVD's break and get lost.
- TVOD is already on the computer that your using to learn.

**Why us cmiVFX?**

Our research and development molds the software packages that you are trying to learn. We train the software companies and we we train in the other training companies. Why would you want to go anywhere else?
